

DEPARTMENT OF CHEMISTRY

CAREER ORIENTED PROGRAMME IN ANALYTICAL CHEMISTRY

UNDER Xth Plan of UGC SCHEME

Introduction:

In the year 2007 under Xth plan of UGC scheme the college has offered wide range of career oriented courses in various related subjects. The department of chemistry runs Career Oriented Programme in Analytical Chemistry for science students. The Career Oriented Programme in Analytical Chemistry includes Certificate Course, Diploma Course and Advanced Diploma Course having intake capacity of 20 students each. At beginning of each academic session students admitted to these courses. This course has separate syllabus of under graduate level including theory, practical and project work. The faculty members of chemistry department are actively involved in the teaching and learning processes. The certificate issued to the students after successful completion of course.

Objectives

- To increase the practical skill of students and knowledge about the skill of industries, so to make them good inter planner.
- To educate students from the local and rural areas, so they become enlighten individuals, improving the living standards of their families, Industries and Society.
