DEPARTMENT OF CHEMISTRY
Workshop on
Fire Extinguisher Training to Lab Attendants
Session 2019-20

The department of chemistry, Shri Shivaji Art's, Commerce and Science College, Akot organised workshop on fire extinguisher training to all science lab attendants on dated 21-11-2019. A properly working extinguisher could save a life, maybe even yours. Everyone should know how to perform fire extinguisher inspections. Dr. G. B. Andhale, Dr. C. A. Ladole and Mr. N. R. Nahate organised Fire Extinguisher Training for Lab Attendants on dated 21-11-2019.

Monthly inspections will ensure the fire extinguisher will operate as directed in the event of an emergency. When completed, you should be able to perform a fire extinguisher inspection on common types of extinguishers. The importance of this training is to ensure you are familiar with fire extinguishers and have a working, serviceable extinguisher if / when you are in an emergency.
