Historical Background: - N.C.C. is a member of international youth organization.

This is purely voluntary organization and is largest youth organization in world. In our educational system N.C.C. has a unique importance. During the first and second world wars, there was a great shortage of officers to lead the troupes into combat, so The British Indian Government appointed a committee to make necessary recommendation for the formation of cadet corps organization. The N.C.C. came into being by an Act of Parliament (Act No. 11 of 1948) designated The N.C.C. act 1948 and so the N.C.C. was formed on 15th July 1948 Bulk of the N.C.C. Strength which consists of Army wing boys units was raised all over the country in 1948-49. The girls division was raised in 1949. Air wings came into being in 1950 & the Naval in 1952. SANT GADGE BABA AMRAVATI UNIVERSITY, AMRAVATI (NATIONAL SERVICE SCHEME)

Basic Concepts -

The overall aim of NSS as envisaged earlier, is to give an extension dimension to the higher education system and orient the student youth to community service while they are studying in educational institution. He educated youth who are expected to take the reins of administration in future are found to be unaware of the problems of the village/slum community and in certain cases are indifferent towards their needs and problems. Therefore it is necessary to arouse the social conscience of the students, and to provide them an opportunity to work with the people in the villages and slums. It is felt that **their interaction with the common villages and slum dwellers will expose them to the realities of life and bring about a change in their social perception.**

Objectives -

- i) Understand the community in which they work.
 - ii) Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving process.
 - Develop among themselves a sense of social and civic responsibility.
 - Utilize their knowledge in finding practical solution to individual and community problems.
 - Develop competence required for group-living and sharing of responsibilities.
 - Acquire leadership qualities and democratic attitude.
 - Develop capacity to meet emergencies and natural disasters.
 - Practice national integration and social harmony.

The Motto

The motto of the N.S.S. is “NOT ME BUT YOU”. This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society as a whole. Therefore it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

NSS Symbol

The symbol of the National Service Scheme is based on the “Rath” wheel of the Konark, Sun Temple of Orissa. These giant wheels of the Sun Temple portray the cycle of creation, preservation and release and signify the movement in life across time and space. The design of the symbol, a simplified then progressive cycle of life. It stands for continuity as well as change and implies on the part of the NSS for continuous striving forward for social transformation and uplift.

NSS Badge -

The N.S.S. Symbol is embossed on N.S.S. Badge. The N.S.S. volunteers wear it while undertaking various community programmes of community service. There are 24 wheels in ‘Rath’ of Sun Temple of Konark. Each wheel has eight bars, which represents 8 Prahars of day. Hence the badge reminds the wearer to be in readiness for service of the nation round the clock i.e. for 24 hours or 8 prahars. The red colour in the badge indicates that the NSS volunteers are full of block, i.e. lively, active and spirited. The navy blue colour indicates the cosmos of which the NSS is a tiny part ready to contribute its share for the welfare of the mankind.
