

CO-CURRICULAR ACTIVITIES: 2017-18

PROJECT BOOK INAUGURATION

‘THE ANALYSIS OF PHYSIC-CHEMICAL PARAMETERS OF DRINKING WATER’

The B.Sc. Part II & III students of Department of Zoology conducted an investigation under the mentorship of Dr. V. B. Bhagat (Head, Department of Zoology) to analyze the water quality of water used for drinking purposes. For the same, students were communicated with the different schools, junior colleges and offices including banks of the Akot town and adjacent villages. For the success of the project, students acknowledged the cooperation and support of respected Principal Dr. A. L. Kulat, Dr. V. B. Bhagat, Prof. R. S. Mankar, All the teaching and non-teaching staff of Department of Zoology. The project report in form of Dissertation was inaugurated by the Auspicious hand of Hon. Principal Dr. A. L. Kulat and Dr. V. B. Bhagat in presence of entire Science faculties and students.

महाविद्यालय में प्रकल्प का विमोचन

30-11-2017
संवाददाता अकोट

शिवजा महाविद्यालय के प्राणीशास्त्र विभाग की ओर से बीएससी-3 के विद्यार्थियों ने डॉ. वि.बी. भगत के मार्गदर्शन में उक्त प्रकल्प तैयार किया। उक्त प्रकल्प के अनावरण अवसर पर सभी छात्रों ने सहभाग लिया था। कार्यक्रम के अध्यक्ष प्राचार्य डॉ. कुलट के हाथों कार्यक्रम का उद्घाटन किया गया। कार्यक्रम में प्रमुख उपस्थिति में विज्ञान विभाग प्रमुख डॉ. एस. पी. वाघ सहित डॉ. रवी जुमले, डॉ. माणिक डोरे, डॉ. कोल्हे, डॉ. पाटोले, डॉ. भाटी, प्राध्यापक मानकर, आंधले थे। कार्यक्रम का प्रास्ताविक भगत ने किया। मान्यवरों ने विद्यार्थियों के प्रकल्प की प्रशंसा की। वैष्णवी रेले ने प्रकल्प तैयार करते बक्त जो समस्याएं आईं उस पर

विद्यार्थियों के कैसे मात की इस बारे में बताया।
निकीता आकोटकर ने प्रकल्प में समाविष्ट घटकों की जानकारी बताई। उक्त प्रकल्प समाज की दृष्टिकोण से कितना महत्वपूर्ण है इस बारे में बताया। प्रकल्प में अकोट शहर के सभी सरकारी, निमसरकारी कार्यालय का पेयजल पीने योग्य है, की नहीं इसकी जांच की। अकोट के अगल बगल परिसर के नदी, खेत

तालाब, बांध के पानी की जांच कर उसमें पानी की क्षारता, प्राणवायु का प्रमाण, कार्बन डाय आक्साईड का प्रमाण ऐसे विभिन्न जांच की। प्रकल्प सफल बनाने के लिए प्रयोगशाला परिचर, जकाते, गायत्री आसरकर, बेराड, देशमुख, निलोफर, शाहरूख ने मदद की। कार्यक्रम का संचलन काजल जांभले ने आभार स्नेहा ताडे ने किया। इस उपक्रम को छात्रों का प्रतिसाद रहा।

DEPARTMENT OF ZOOLOGY

PROJECT REPORT

**THE ANALYSIS OF PHYSIC-CHEMICAL PARAMETERS OF
DRINKING WATER**

(2017-18)

Drinking water, also known as potable water, is water that is safe to drink or to use for food preparation. The amount of drinking water required to maintain good health varies, and depends on physical activity level, age, health-related issues, and environmental conditions. Americans, on average, drink one liter of water per day and 95% drink less than three liters per day. For those who work in a hot climate, up to 16 liters a day may be required. Liquid water, along with air pressure, nutrients, and solar energy, is essential for life.

Typically in developed countries, tap water meets drinking water quality standards, even though only a small proportion is actually consumed or used in food preparation. Other typical uses include washing, toilets, and irrigation. Globally, about 89% of people had access to water from a source that is suitable for drinking – called improved water source.

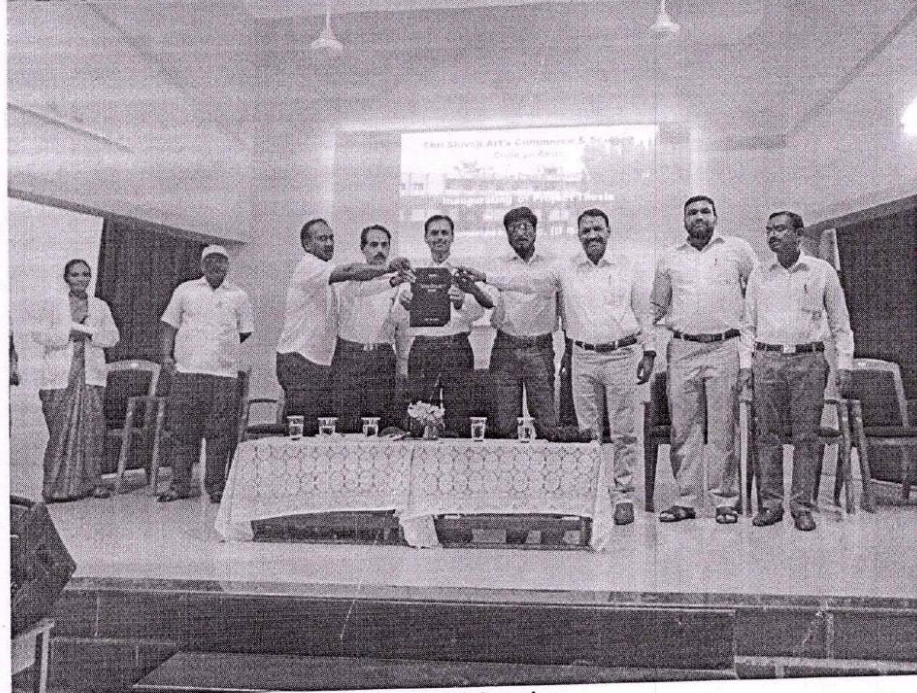

In all this concern, the B.Sc. Part II & III students of Department of Zoology conducted an investigation under the mentorship of Dr. V. B. Bhagat (Head, Department of Zoology) to analyze the water quality of water used for drinking purposes. For the same, students were communicated with the different schools, junior colleges and offices including banks of the Akot town and adjacent villages.

During the period of investigation, 90 students were participated; the water samples were collected from different organizations. An effective protocol was adopted for the laboratory work. For the water quality assessment, different parameters like Temperature, pH, Dissolved Oxygen, Dissolved

Carbon Dioxide, Alkalinity and Water Hardness were estimated by using the Standard Procedures.

On the basis of obtained results, the suggestions and recommendations were communicated with the concern organization viz. school, colleges, offices etc. The entire project positively reviewed with social applicability. For the success of the project, students acknowledged the cooperation and support of respected Principal Dr. A. L. Kulat, Dr. V. B. Bhagat, Prof. R. S. Mankar, All the teaching and non-teaching staff of Department of Zoology. The project report in form of Dissertation was inaugurated by the Auspicious hand of Hon. Principal Dr. A. L. Kulat and Dr. V. B. Bhagat in presence of entire Science faculties and students.

.....

.....

Subject : Permission to get drinking water sample for analysis.

Respected Sir,

As part of course curriculum, We have project on different aspect related to the environment ,this year, Department of zoology have given the project entitle "To study the physical parameters of water of various offices of Akot City" to us so we have decided to collect the drinking water samples from different offices of Akot city

Hence we are requested to provided the sample for the analysis.

Thanking You .

Yours faithfully

Industrial Visit
Report
2015-2016

As per the university direction and interest of students, staff of chemistry department, Department every year organized the industrial tour for B.Sc. final students to various nearby industries.

In the session 2015-16 departmental students & staff visited to Parle-G industries, MIDC Khamgaon on dated 26/02/2016. In this tour total 140 B.Sc. final students are presents.

Subject :- For permission to visit factory for UG & PG Science students (150 Students).

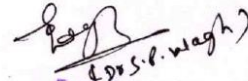

Dear Sir,

Regarding the prescribed syllabus of S.G.B. Amravati University, there is a compulsory educational tour to be organized either to visit any industry or research laboratory.

Since, we have decided to visit the industry, please kindly permit us to visit the same. You are also requested to suggest the convenient date and time for the visit.

With Regards.

Thanking you.

Industrial Visit
Report
2016-2017

The visit to Raman science centre was organized by prior permission and guidance of Principal Dr. A. L. Kulat. A batch of B.Sc. II Chemistry students (56) and three staff coordinators Dr. R.M. Jumle, Mr.R.S.Mankar and Ku.Ashvini Fokmare visited the Raman science centre Nagpur on 25.02.2017.

Incharge of the Raman science centre addressed the students and introduced about the Raman science centre. He explained about the different experiments. He also warned the students how to observe experiments if any damage happens during visit.

Later we are visited to Dr.Ambedkar College Nagpur .

During this session, students interacted with the (Mrs.) Dr. Deepa Panhekar HOD & Associate Professor Department chemistry Dr.Ambedkar College Nagpur, very effectively. Particularly about the chemicals behind the fragrance and their identification, isolation and storage. Then research Scholar, explained the chemistry of the fragrant compounds. He mainly focused on the storage of the raw materials after procuring. He explained how to store the low boiling liquids in cold storage plant and air sensitive compounds under nitrogen atmosphere.

This session was concluded with a tea.

Around 4 p.m we are Visited to Buddhist Temple in Kamtee was quiet, at least from the outside. and the open yard with a few rows of trees surrounding the temple gave it a secluded feel, even though the temple is situated on a main street in Kamtee. I found myself facing a very large hall, with big statues of the Buddha and postures of scriptures and decorating flowers at the far end, and a large open space in front of it, which I thought must be where lay people sit to hear the teachings and learn meditation. Students are found the relaxed, casual feel to this whole place a new, surprising experience. A spiritual and cultural campus dedicated to devotion, learning and harmony.

After the entire visit, the students enjoyed dinner at dhaba on way of Amravati and returned back to college with memories to cherish for long.

Industrial Visit
Report
2018-2019

The visit to Poona S.P.University was organized by prior permission and guidance of Principal Dr.A.L.Kulat. A batch of B.Sc. III Chemistry students (52) and three staff coordinators Dr. R.M. Jumle, Ku.Trupti Sawarkar and Ku.Ashvini Fokmare lead the educational trip. Total 52 students had taken part in the educational trip on 08.02.2017. Educational trips are designed to be more effectively support student learning. Prior knowledge and interests of the students impacts learning during the visit.

Private bus was arranged for the entire tour. Bus left on 7th Feb.2017 towards Pune and reached on 8th Feb.2017 at 8.00 am at Alandi. Students were allotted specific rooms at Aalandi Trust.The details of the tour as follows--

Date 08.02.2017. ,(Visit to Shaniwar Wada Fort, Pune):- Historical place Shaniwar Wada was visited by students and staff. It is the stately mansion originally built in 1736 as the residence of the Peshwas. It acclaimed tremendous importance and is the city's main attraction till date. The elaborate foundations of the original palace along with the Nagarkhana showcasing the wooden pillars and lattice work add up to the beauty of the mansion. The sturdy doors were designed to be protected from the enemy. The most important being the Delhi Darwaja, today its main entrance.

With many attractions in Pune, the place is not just a renowned industrial and educational hub but also an ideal place for the educational trip and amidst an array of places from which a lot can be learned. This place has many names such as Queen of the Deccan, Oxford of the East, and cultural capital of Maharashtra that promises to be as interesting as its history. Home to the legendary Raja Shivaji, the city has centuries of old history and is marked by magnificent land and forts.

After the learning of history of the city, they were taken to a chemistry laboratory. They had fun-oriented practical demo sessions on Chemistry at the laboratory.

The department has several sophisticated instruments to do frontier research in a broad range of disciplines. These includes UV-VIS, IR , FT-NMR, EPR spectrometers and a host of other high technology instruments. This department has a close collaboration with the National Chemical Laboratory (NCL), Pune for teaching and research activities.

During this session, students interacted with the **Dr.Deepali Malkhede Professor in Physical Chemistry**,very effectively. She was explaining the detail NMR Technique.

Then Students visited the shopping mall and it was great to see when they chose to take gifts for their parents and siblings instead of themselves.

Field Visit to Amona Forest for Extension Work

On 04 October, 2017, 15 students with Dr. S.N. Patole went for a trip to Amona Forest, Akot wildlife division with aim visit grass meadow which developed by the forest department. We arrived 10.00 a.m. We planned to visit the grass meadow and nearby forest area along with Forester, Mr. Patil RFO, Amona range, and Mr. Bhivate, Forest Guard, Akot wildlife division. Dr. Patole gave the information regarding the meadow development and purpose of the meadow to the staff of forest department. He also focuses on the palatable and non-palatable plant species of the forest. The objective of the visit was to get information of the wild plants and animals and grass meadow.

On the occasion of Wildlife week we removed the non-palatable plant species from the grass meadow. We note down the palatable and non-palatable species for the herbivorous animals like Deers, Bisons, Rabbits, Nilgai, etc. Dr. Patole gave the information on botanical names of the plants to the staff of the forest department and students, *Cymbopogon martinii*, *Brachiaria ramosa*, *Themeda triandra*, *Heteropogon contortus*, *Hyptis suaveolens*, *Madhuca longifolia*, *Lagerstromia parviflora*, *Tectona grandis*, *Bauhinia racemosa*, *Annona squamosa*, *Lannea coromandelica*, *Boswellia serrata*, *Sterculia urens*, *Ficus bengalensis*, *Emblica officinalis*, *Anogeissus latifolia*, *Dalbergia latifolia*, *Butea monosperma*, *Aegle mormelos*, *Celastrus paniculata*, *Clerodendrum serratum*, *Wrightia tinctoria*, *Chloroxylon swietenia*, *Woodfordia fruticosa*, *Zyziphus xylocarpa*, *Vitex negundo*, *Syzygium cumini*, *Saccharum spontaneum*, *Diospyrus melanozylon*.

The tour was organized by prior permission and guidance of principal of Dr. A. L. Kulat sir . A batch of **B.Sc II** student of Computer Science and Physics and Mathematics . The total number of student participated in tour are 42 along with four teaching staff co-ordinator . The name of teacher participated in tour are **Prof. Ku. Vrushali R. Badukale, Prof. Umar Bhatti Sir ,Prof Choudhari Sir, Prof. Dr. Elkar sir .**

In this tour ,we first visit to the Ajanta caves and we observed the historic Buddhist cave monuments, painting and rock-cut sculptures which describe finest surviving examples of ancient Indian art. Particularly expressive painting that presents emotion through gesture , pose and form. After completion of this visit we move for Ellora caves. This caves are situated at 30 km distance from Aurangabad .Here overall 34 caves are presents out of which 12 Buddhas ,17 Hindus and 5 Jain caves. In this way students and teachers enjoyed as well as learn about the ancient culture of India.

Seminar on Cultivation of Pomegranate Crop for Farmers

The seminar on "Cultivation of Pomegranate Crop" was organized by Department of Botany in collaboration with Indian Farmers Fertilizers Company Ltd. (IFFCO), Akola. The seminar was arranged for farmers in Akot region. The objective of this workshop was to know farmers for enhancing crop productivity through modern techniques and in depth practical knowledge. The seminar was held on 5th Oct.2014 at NRSC hall of Shri.Shivaji Arts, Commerce and Science College, Akot. The seminar was inaugurated by the auspicious hands of Hon.Shri.Shailesh Hinge, Sub divisional Officer, Akot on 5th Oct.2014 at 10.00am in the valuable presence of President of seminar Hon.Dr.A.L.Kulat, Principal Shri.Shivaji Arts, Commerce and Science College ,Akot, Chief guest Hon.Dr.Vinay Supe,Expert,Pomegranate crop, Mahatma Fule krishi Vidyapeeth,Rahuri, ,Hon.Dr.Ramesh Nakat,Scientist Entomology Mahatma Fule krishi Vidyapeeth,Rahuri,Hon.Dr.Kiran Raghuvanshi,Scientist,Plant Pathology Mahatma Fule krishi Vidyapeeth,Rahuri,in presence of Hon.Shri.Satish Gadge, State MarketingManager,Mumbai,Hon.Shri.S.D.Warur,MarketingManager,Mumbai Hon.Shri.S.N.Londe, Main Divisional Manager IFFCO, Nagpur, Convenor, Dr.Ku.M.M.Dhore, Organizing secretary Dr.R.S.Dhande, Coordinator Dr.S.N.Patole and Farmers of Akot region. Hon.Shri.S.N.Londe has given Welcome speech and he outlined the importance of the seminar. He said that this is an opportunity for farmers of Akot region to put the problems related to Pomegranate crop.

The technical session began at 11.00 am. One twenty two farmers were participated in this seminar.Dr.Vinay Supe, Expert Pomegranate Crop, Mahatma Fule Krishi Vidyapeeth, Rahuri has given the first talk on cultivation and management of Pomegranate crop. He discussed on propagation, maintainance and harvesting of pomegranate. He also said Pomegranate is not economically profitable but also of great importance for human health. Dr.Ramesh Nakat, Scientist Entomology, Mahatma Fule Krishi Vidyapeeth, Rahuri delivered second talk and he discussed pests and major diseases affected by pomegranate fruit.

After lunch at 2.30 pm., In technical session II Dr.Kiran Raghuvanshi has given talk on control measures of diseases on Pomegranate fruit.

In Technical session III, discussion on various issues raised by farmers related to marketing, pests and diseases in pomegranate fruit.

To close of the seminar, the valedictory function was presided by the Hon.Principal, in presence of Dr.Vinay Supe, Dr.Ramesh Nakat, and Dr.Kiran Raghuvanshi as a chief guest of the function. Mr. Kotecha, Regional Manager, IFFCO, Akola proposed the vote of thanks.

Workshop
On
Mushroom Cultivation Techniques

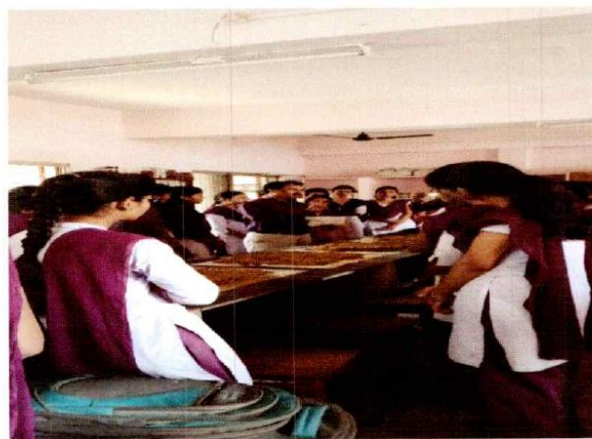

Department of Botany Shri.Shivaji Arts, Commerce and Science College, Akot organized one day workshop on "Mushroom Cultivation Techniques" for students. The workshop conducted on 12th March 2019 at Auditorium. Dr.S.P.Wagh, Academic Incharge, Science faculty inaugurated the workshop and motivated the students. Chief guest Dr.D.V.Hande, Associate Professor, Shri.Shivaji Science College, Amravati, Convener, Dr.Ku.M.M. Dhore, Coordinator, Dr.S.N.Patole, Ku.Ashwini Phokmare were present on the dais. Dr.S.N.Patole gave an introduction of the guest and welcomed him. The main objective of the workshop was to inspire the students for the entrepreneurship in the field of mushroom cultivation and its harvesting and marketing. Students were made aware of various practices for cultivation of mushroom.

The technical session I began at 12.00 pm., Dr. D.V.Hande, Associate Professor, Shri.Shivaji Science College, Amravati has given the first talk on importance of mushroom cultivation, various forms of mushroom and their uses in food. He addressed the students, Mushroom cultivation is a new investment opportunities so that they can start their business in a small scale in rural area.

The technical session II began at 2.00 pm.in Department of Botany, Dr.D.V.Hande has given practical demonstration of mushroom cultivation. The workshop was very informative and inspiring for the students. The mushroom cultivation workshop will be helpful to the students to start small scale production as self employment. As per the feedback received from the student, it was very good learning experiment. The workshop was attended by 225 students and five faculty members. Dr.M.M.Dhore proposed the vote of thanks.

Workshop on Recycle Paper Bag 2018-19

Report

2018-2019

Department of Chemistry Shri Shivaji Art's, Commerce and Science College, Akot organized one day workshop on "Recycle Paper Bags" on 2nd November 2018 at 10.00 am to 4.00 pm for college Students at the college auditorium,. Lamp lighting of Wokshop was done by all the respected dignitaries. The progrnamme was started with a welcome speech by Dr S.P.Wagh Head of science faculty. Guest were formally welcomed and introduced by H.O.D. The programme was inaugurated by the chief guest Mrs. Dr. S.N. Gupta Associate Professor, Brijlal Biyani Science College, Amravati and the workshop is chaired by Dr A.L.Kulat Principal of the college.

In inaugural speech she said Paper bags are gaining importance as these bags are 100% reusable, recyclable and biodegradable and at the same time environment friendly and pose less threat to wildlife. It requires less energy for paper bags to be recycled than plastic bags. The paper bags are generally box-shaped in design that allows them to stand upright and hold more goods.

In the recent past, Maharashtra state governments have banned the use of plastic. But this rule is of no use unless it is implemented by everyone, especially college students, who are the future. By incorporating the habit of using paper bags instead of plastic, will help students follow eco-friendly habits for life. To effectively implement this habit of using paper bags instead of plastic bags, among college students, so, college has organize a 'Paper bag making activity' .

Dr S N.Gupta and Miss Roshani Kale provided training to students on how to make paper bags. She gave information about the quantity of paper used and paper bag market demand and how it can be seen as a new business opportunity. The participants were delighted with this session as they were able to understand the importance of this campaign and also were able to look at a new business opportunity for themselves.

Around 171 Students were participated in workshop and eight faculty members learned how to make paper bags using news papers .With the help of newspapers and colored plain paper, she taught the students to make 3D paper bags. The bag was made out of the newspapers while the designs included beautiful flowers and whimsical butterflies made out of colored plain paper pasted on the bag using Camlin White Glue.

This activity was appreciated by the IQAC / teachers and even saw the teachers' active participation. Through this activity, we also highlighted that 'today's news paper is tomorrow's waste paper'.

For the success of workshop Dr S. V. Kolhe, Mr. A. R. Somvanshi, Mr. Ganesh Andhale, Ku. Shital Raibole, Ku. Trupti Chaure, Ku. Alka Puri and non-teaching staff members and students have taken ceaseless efforts.

Programme is concluded with vote of thanks by programme coordinator Dr.R.M.Jumle and said that the anti-plastic campaign will continue even on larger scale, so that maximum awareness is created among the public.

Subject: Permission for Library Visit and Library Information Workshop

Dear Sir,

We have Bachelor of Library & Information Science as a course of our College. There are 60 students studying for the same course. They have projects based on library information as a part of their course curriculum prescribed by Kavi Kulguru Kalidas Sanskrit, Vidyapith, Ramtek. As per my knowledge, you are the esteemed educational institute with great infrastructure; we are interested to visit you along with our 60 students of the same course. We are interested to visit your library and to learn about library management and services.

Report
Institutional level -One day workshop on
Experiment in Physics
Jointly organized by Department of Physics of Shri Shivaji Arts, commerce and Science College Akot
and Department of Physics of Smt. R. S. College, Anjangaon
Total 164 students were participated in workshop.

Department signed the moment of understanding with the department of Physics Smt. Radhabai Sarda Mahavidyalaya Anjangaon surji related to the teaching, learning and research. The department collaboratively arranged the one day institutional level workshop on the topic of experiment in Physics on dated 17 Feb 2018. The workshop was held at department of Physics, Shri Shivaji Arts Commerce and Science College Akot. The inauguration of the workshop was done by the Dr. Sanjay Wagh, head of the science faculty Shri Shivaji College Akot, in their inaugural speech he had appreciated department to arrange such type of a collaborative work in the department. Also he shared the history of the college to the participant in this workshop. In introductory speech of programme Mr. Umar Bhati, head of the department of Physics explained the need of workshop in our local region. The distance between the Anjangaon surji and the Akot was about approximately 32 km. It needs the colleges in nearby region worked for excellence in higher education through collaboration. The first step regarding to the collaboration we both were arranged the one day institutional level workshop in "experiment in Physics". In this workshop the group of the three student explaining the experiment prescribed by the Sant Gadge Baba Amravati University Amravati. The total 164 student were participated in this workshop. All students interact with the each other and explaining their practical's .About 32 experiments explaining in this workshop. The following students awarded with the certificate and prize. Every participant awarded with the certificate. In the valedictory function and the prize Distribution Ceremony Dr. V. B. Bhagat sir told the students participation in the workshop and the other competition was necessary to enhance our personality and knowledge. Today's students must become extroverted so that he/ she would explain their knowledge to the others and it was only being possible if you were participated.

Workshop had been successfully arranged by the Mr. Umar Bhati and Prof. Rajesh Mankar with the support of students of final year.

Both the coordinator were thankful to the principal of our colleges who gives this opportunity students in the workshop also we were very thankful to all the students participated in this workshop also thankful to the supporting staff, students who organized this event successfully.
