

Session 2016-17

Report of the Activities

- **Seminar Competition**

Department of Mathematics organized seminar competition for B.Sc. II and III year students. On this occasion the students presented their seminars on different topic of mathematics. Seminar Competition was organized for the purpose of diminishing the fear about mathematics and create their interest in the subject. All the students of B.Sc-II and 3rd year are participated in this competition. It is the regular activity of our department.

Departmental Activities of Mathematics

- **Assignment and Project**

Every semester our department is allotted project and assignment to the students. The students of mathematics completed their project and assignment as well. During this year, the students form the groups of five student and present their project. Some of them also introduced the non-working model on recent trends in mathematics. He completed his assignment by collecting information about mathematics on the Internet. This made the students aware of current developments in mathematics.

- **Bridge Course**

In this year the department of Mathematics also organized **Bridge course** for the students of other faculty. This course is organized for the purpose of making mathematics subject to students of other departments of the college so that they can use it. Under this course, mathematics professors go to other departments to guide them about mathematics. Specially commerce and other science students can easily solve their problems about mathematics. This course is increasing students' interest in mathematics in many disciplinary. The Principal of the College Dr A.M.Kulat expressed satisfaction about this.

- **Academic Activity/Unit Test**

Under the internal marks, the department is allotted project and assignment to the students. Also on every chapter Students' unit tests were conducted at the end of unit. This shows that students are well prepared for their studies. This has the effect of increasing the results of university examination.

- **Participation of University Level Seminar Competition.**

- Students in the Mathematics Department also participate in the university level students seminar competition. In this academic session Ku. Payal Pavan Jain and Ku. Madeeha Maharosh Md. Saquib B.Sc.-III participated in University level Inter collegiate seminar competition on "Algebra" organized by J. D. Patil Sangludkar Mahavidyalaya, Daryapur to be held on 27th Feb 2017. They delivered their seminar on the topic 'Algebra'.
