Manuscript : Shetkari Atmahatya Ek Aaklan

Dt. 27/12/2014

Shetkari Atmahatya Ek Aaklan : It is unique program conducted by Marathi department. Department appealed the student for writing realistic situation and pathos of farmer of whole vidarbha region. Students actively participated in the event.

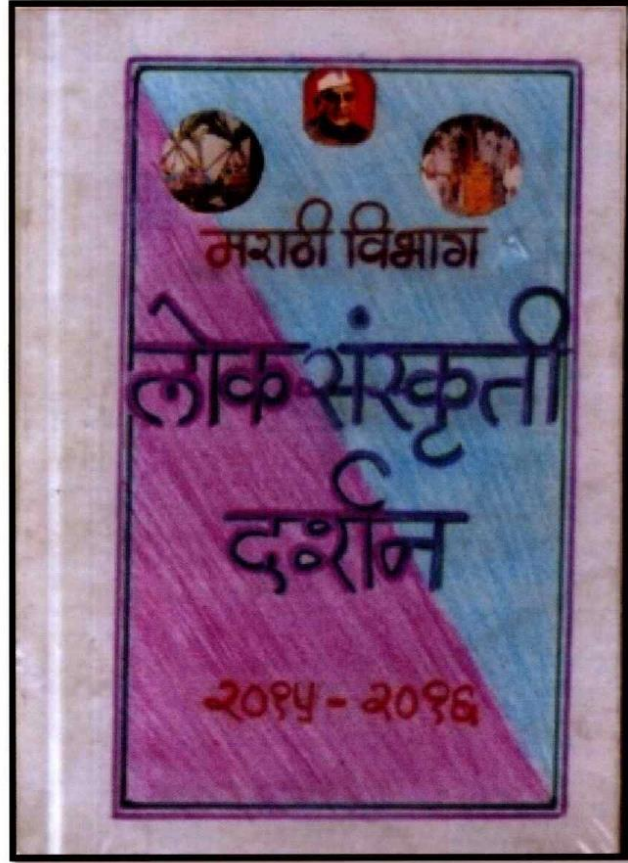

Farmar's Suicide : India is an agricultural country and farmers are the backbone of our country. We get to eat two times bread and butter happily because they owe their life to the farm. A farmer is the one who spends hours and hours, years and years on the farm tilling the farm, sowing the seeds, watering the fields, reaping and harvesting the plants and then taking it to the market for sale. For him, there is no rest. But these farmers are committing suicide because of failure of the crop, weak financial conditions and many other reasons. So Department has organized Manuscript event on **Farmer Suicide**.

Excursion Tour at Chikhaldara, Dist.Amravati

As a part of curriculum, one day excursion tour was organised by Department of Botany on 5th February 2019. The main objective was to familiarize the students with the flora and ecology of the region. 85 students of B.Sc.II and two faculty members of department of Botany were participated in this tour. The tour was organized by Dr. S.N.Patole accompanied by faculty member Ku .Ashwini Phokmare. The tour was started at 6.30 am from the college and reached at 11.00am at Chikhaldara. Students visited to Botanical garden where the Incharge of the tour Dr.S.N.Patole given the importance of garden and students had recorded the information about the garden and species maintained in the garden. Then students visited various points of Chikhaldara and observed rich diversity of the flora of the region. We have started our return journey to Akot.

Students of B.Sc.II (Biology)

Dr.S.N.Patole given the information of plants to students

Field Visit to Amona Forest for Extension Work

On 04 October, 2017, 15 students with Dr. S.N. Patole went for a trip to Amona Forest, Akot wildlife division with aim visit grass meadow which developed by the forest department. We arrived 10.00 a.m. We planned to visit the grass meadow and nearby forest area along with Forester, Mr. Patil RFO, Amona range, and Mr. Bhivate, Forest Guard, Akot wildlife division. Dr. Patole gave the information regarding the meadow development and purpose of the meadow to the staff of forest department. He also focuses on the palatable and non-palatable plant species of the forest. The objective of the visit was to get information of the wild plants and animals and grass meadow.

On the occasion of Wildlife week we removed the non-palatable plant species from the grass meadow. We note down the palatable and non-palatable species for the herbivorous animals like Deers, Bisons, Rabbits, Nilgai, etc. Dr. Patole gave the information on botanical names of the plants to the staff of the forest department and students, *Cymbopogon martinii*, *Brachiaria ramosa*, *Themeda triandra*, *Heteropogon contortus*, *Hyptis suaveolens*, *Madhuca longifolia*, *Lagerstromia parviflora*, *Tectona grandis*, *Bauhinia racemosa*, *Annona squamosa*, *Lannea coromandelica*, *Boswellia serrata*, *Sterculia urens*, *Ficus bengalensis*, *Emblica officinalis*, *Anogeissus latifolia*, *Dalbergia latifolia*, *Butea monosperma*, *Aegle mormelos*, *Celastrus paniculata*, *Clerodendrum serratum*, *Wrightia tinctoria*, *Chloroxylon swietenia*, *Woodfordia fruticosa*, *Zyziphus xylocarpa*, *Vitex negundo*, *Syzygium cumini*, *Saccharum spontaneum*, *Diospyrus melanoxylon*.

**POSTER COMPETITION
ON
"ENVIRONMENT"**

A poster competition was organised by Department of Botany on 19th January 2016 at 3.00 pm in the Department of Botany. The theme for the poster competition was "Environment". The aim conducting behind this competition was to spread awareness and encouraged the students to protect the environment and sustainable use of biological diversity on the earth. Total 25 students from B.Sc.Biology were participated in this competition. Dr.S.N.Patole explained the importance of protection of the environment. The chief guest of the event was Dr.D.S.Thakare, Head, Department of Physics. On this occasion he said that with such competitions students get involve with the environment and understand it better. The competition was judged by Prof.Umar Bhati and Mr.Pandit Gawande. Students participated with enthusiasm and made very beautiful posters which gave the message of saving our mother earth and provide a green environment to our future generation. Student's efforts and initiative was appreciated by judges, Prof.Umar Bhati and Mr.Pandit Gawande. The winners were given cash prizes .Ku.Punam Mahale and Ku.Pranjali Bhagat secured first prize, Ku.Namrata Sharma secured IInd prize, Mr.Shashwat Telgote secured IIIrd prize, Ku.Vaishnavi Rele and Mr.Sohail Anwar Ali got consolation prizes. All faculty members of the department congratulated the students. Dr.M.M.Dhore proposed the vote of thanks.

Report of Collaboration Activities
Science Model and Poster Presentation and Online Quiz Competition
Jointly organized by Department of Physics,
Shri Shivaji Arts, Commerce and Science College, Akot and
Smt. Radhabai Sarada College, Anjangaon Surji.

In the academic year 2018-19, Department of Physics of Shri Shivaji Art, Commerce and Science College, Akot and Smt. Radhabai Sarada Art, Commerce and Science College Anjangaon surji jointly organized the model Science model and poster competition for the BSc student. As per the plan, In Phase- I, the department of Physics of Shri Shivaji Arts, Commerce and Science College, Akot had organized the Science model and poster competition for the B.Sc. students. The inauguration function of the program, Dr. S. V. Kohle, Associate Professor in Chemistry inaugurated the function. Prof. R. M. Mankar, Assistant Professor in Physics, Smt. Smt. Radhabai Sarada Art, Commerce and Science College Anjangaon surji worked valuer with Assistant of Prof. D. P. Chaudhari and Prof. U. T. Bhati in competition. Students from Shri Shivaji Arts, Commerce and Science College had participated and present the model based on the concept of Physics. Also Some students had presented a poster on the topic “renewable energy sources” in this competition. In Phase II competition, department of Physics Smt. Radhabai Sarada Art, Commerce and Science College Anjangaon surji organized the Poster Competition. In inauguration function, Head , department of Mathematics had appreciated the collaboration activity and congratulated the participants for participation. Students of Smt. Radhabai Sarada Art, Commerce and Science College Anjangaon surji presented the poster on the topic “renewable energy sources” in a Phase II competition. Prof. U. T. Bhati from Shri Shivaji Arts Commerce and Science College and Prof. D. P. Chaudhari valued the poster in this competition. These collaboration activities had provided a platform to interact with the students with the faculty and chance to developed and shared knowledge.

In the third collaborative activity, with the help of the Google form online quiz competition organized for the BSc first, second and third year students. Based on the even semester Syllabus in subject Physics of Sant Gadge Baba Amravati University Amravati, large number of students participated in this quiz competition. This quiz competition not only benefited to the students regarding the competition but also benefited in the preparation of the University examination. This online tests were conducted with the Google form, it gave the immediate result after the submission of the test and also gave the correct answer regarding the wrong option opted by the student.

This collaboration activity had organized in the academic year 2018-19 by the department under the MOU's signed by both institutions. The coordinator of this program Prof. U. T. Bhati and Prof. R. M. Mankar had taken the effort to the success of this activities under collaboration.

Report
Pre Model and Model competition
organized by department on
20th December 2016 for B.Sc. I

In this year the department of Physics got an opportunity to arranged science exhibition in Jayanti Utsav. So, department tried to work maximum science students participated in this competition. To motivate the students and remove the fear of preparation of model, department decided to arrange the pre model competition so that at students asked their difficulties to the respected teachers. In the pre model competition the president of the program was head of Science faculty Dr. S. P. Wagh and examiner of the science model was Prof. R.S. Dander. In introductory speech Mr. Umar Bhati Assistant professor in Physics was introducing the concept to arrange the pre model competition. All teachers had guided students in interactive manner. In the presidential speech Dr. S. P. Wagh said that participation in the competition made them you had more confidence and clear your ideas and got the practical hand. After successful an organization of the pre-modern competition. On the occasion of the Jayanti Utsav-118, Number of students of science faculty had participated in the competition. they had not only participated but also they are very active explaining their model and it was a great success of the competition that student explaining their model with the idea of the science.

Principal Dr. A.L.Kulat sir inaugurated the competition and had shown the satisfaction regarding to the effort of the students. Examiner Dr. S. V. Kolhe and Dram's. M. M. Dhore evaluated the each and every model.

Examiner Dr. S. V. Kolhe and Dr.Ms. M. M. Dhore told students that the improved their science model such a way that in next year you are participated in the national and State Level Competition.

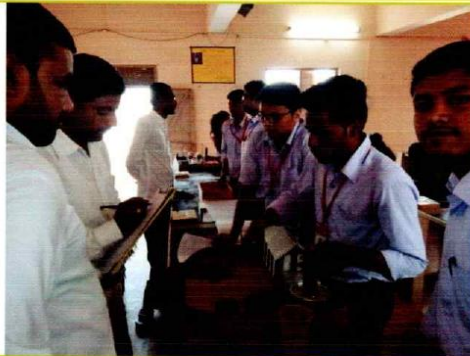

This competition was arranged in the guidance of principal of the college Dr. A.L.Kulat sir , who to continuously guide to arrange such type of a competition for the students, head of faculty Dr. S. P. Wagh provided a continuous motivation and support for arranging this competition. The in charge of the competition Prof. R. S. Dhande and Mr. U. T. Bhati had motivated the students to participated in the science exhibition on the occasion of the Jayanti Utsav. Supporting staff had taken great effort with this teacher staff to arrange this competition. This competition was successes with the active participation of science students. Student's Council member Ms. Pratiksha Rekhate, Alpesha bhute, Lahane, Sharma had taken the initiative to arrange this competition.

Report
“ Remove fear, take participation & create Interest in Science”.

From academic year 2013 onward department organised the various activity in the department such as poster competition, science exhibition, various Guest lecture, drawing competition, essay writing and reading competition, poster paper presentation competition, and this all competition made the student more confidence in the classroom activities in the college. Now, it was the time to go field and demonstrated the knowledge to society. Also students are the member of the society and to create the sense of the responsibility towards the society, department had taken the initiative to increase the level of confidence in the students. So, department organised a field project for B.Sc. final year students of name “Remove fear, take participation & create interest in science” . In this project B.Sc. final year students were went to nearby School/ College and presented the science model in that school/ college. Students has already known how to create the model, how to present the model. Now it was chance for students to go and presented science model in their previous school/ Jr. college etc.

In this activity students selected the particular School as per convenient & had taken prior permission from administration of school. After getting the permission from the school our students went to the school and demonstrated the model/ project in front of the students that school. The aim of this competition was remove the fear of science from the Rural students. Many times students having the knowledge but they were fear not to participate in any competition. Remove fear, it was necessary and it was only possible when someone from their own village must got the success. So when our student had went to the School/ college demonstrated their project in front village students, they were motivated and asked many types of the question to our students and they realized that it was not be a very difficult to participate such type of a competition also this was setup the platform to the ruler student to ask a question.

In this activity we were covered nearby 16 different School means they were demonstrated in 16 different the school and it got thousands or more number of the students was benefited by this activity.

The success of this activity was due to the large number of the participant of the B.Sc. final year students who went to the different school which not be possible for a single teacher to go such a large number of the schools and villages.

Really this activity is benefited to the society, benefited to the student of our college, benefited to the rural area students.

Department was very thankful to the final year student for their active participation in the activities.

Department was also thankful to all the school who gave an opportunity to our students to demonstrate their model and project in their school. Department was also thankful all the teachers of the department who take continuously effort to make them this activity to be a successful.

“Remove fear, take participation & create Interest in Science”.

Young College students will have to find their own paths for their future. They have to do it with the theoretical knowledge catches during college education. But to update them with the skill for the entire development, some skill based program or activity or training is necessary. By keeping this view, Shri Shivaji College Akot ably run by Shri Shivaji Shikshan Sanstha Amravati was organized college level Yuva Bhushan Competition. It is an annual competition conducted by our college. In this competition different events like General Knowledge test, a Group Discussion, Interview technique and physical fitness test were organized under the supervision of Marathi Department.

Organizing a Bicycle Rally by NCC

Due to the rising cost of petrol and diesel, excessive consumption, it is necessary to protect and save the petrol and diesel in future. Bicycle rally was organized on 10th August 2014. The main purpose behind this bicycle rally was to save on petrol and diesel. Considering the increasing demand for petrol and diesel, rising prices and increasing oil shortages in the future, it is imperative to save on oil. Also, it is the need of the hour to bring awareness to the society on account of the harm caused to the body by these running devices, so the importance of oil will be saved in the future as it is important in the future. A bicycle rally was organized to raise awareness about this. A rally was created in the city by holding rallies. At that time 35 students of NCC participated in the rally.

Female Feticide Awareness Rally by NCC

As the number of women is increasing in the society day by day, it is affecting the society. The purpose of this rally was to create awareness in the society. On 28th June 2014, a rally was organized in the city of Akot to raise awareness about the need for preventing female foeticide, by N.C.C. Department, ShriShivaji Arts, Commerce and Science College, Akot. In order to prevent female foeticide, to increase the proportion of women, female infants need to be alive. The declining proportion of women in society is socially dangerous. Therefore, the maximum awareness can be made in the society, it is necessary to create awareness in the society. A rally was organized for this. The rally started from College Road, Naya Press, and ended at Daryapur Road. The rally was organized by Lt. Dr. PrashantKothe. N.C.C. Department, ShriShivaji Arts, Commerce and Science College, Akot, NCC Cadets of ShriNarsing High School and NCC Cadetsof ShriShivaji High School also participated in this rally.

Tree plantation by NCC

To improve the balance of nature that is deteriorating due to day-to-day deforestation, tree planting is essential. As part of this, trees were planted in the college. Tree planting program was undertaken from August 20 to August 25, 2014. After all the preparations like this one were planted. All kinds of plants were planted by the Honble Shri Sanjay Bhaugawande, MLA of Akot Assembly Constituency and NCC cadets. During this time 25 plants were planted in the college. At this time, there were many dignitaries of the city, as well as 50 cadets of NCC. They played an important role in planting trees. Lt. Dr. Prashant Kothemade all preparations for the plantation program. Shri Shankarrao Gore, CO of the municipality, also planted a tree in the college. At this time 15 trees were planted. College Principal Dr. A. L. Kulat provided the right guidance and support.

Participation in Blood Donation Camp

NCC Cadets of Shri Shivaji Arts, Commerce and Science College Akot, has always been involved in social activities. NCC Department conducts various activities in collaboration with many organizations in the area of Akot. As part of this, blood donation camps being organized at the college every year.

A blood donation camp was organized at the college on September 5, 2015 in association with NCC Department and JCI Akot. At this time, guided and expert lectures were organized to make students aware of the importance of blood donation. The President of this event, Principal of the college, Hon. Dr. A. L. Kulat was a wreck. Shri Kailas Nagare, PI a police station station Inspector, was the chief guest. JCI Akot office bearers also guided the students. Shri Kailas Nagare, a police station officer of Akot police station, explained that along with the importance of blood donation, NCC cadets should always be involved in the service of the country and blood donation is part of the service. This is the beginning of service to the country, he said. For this blood donation camp, the Akola Government Hospital provided doctors and other staff for the blood donation camp. At this time 100 donors from the college donated blood. There were 20 NCC carats. NCC Department Head Lt. Dr. Prashant Kothe made all preparations for the event.

Involvement of NCC department of Shri Shivaji Arts, Commerce and Science College, Akot under Water Foundation.

Purpose: By taking long-term measures on water scarcity in Maharashtra state, we participated in the program implemented to make the state drought-free, with the objective of getting rid of water scarcity in the area.

The Water Foundation is a long-term solution for water shortage in the state of Maharashtra. Aamir Khan and Kiran Rao is a non-profit working organization in 2016 to make Maharashtra state drought free. This is Satyajit Bhatkal, Executive Director of Water Foundation. Many villages in Maharashtra have participated in this competition. Yanushanga works in many districts of Maharashtra through this institute. Many villages in Akola district also participated in water cup competition. To do so, go to these villages and cooperate with the people there and work towards an end to the famine in this area. This was the desire of the NCC Department. Accordingly, the NCC department participated in this movement by providing labor in several villages. It includes various villages like Jitapur Rupagad, Umra, Asegaon Bazar, Lamakani, Akunda taluka in 2017, Punda in 2018, Jalgaon Nahate in 2019.

Lecture on cashless transactions

Purpose: Due to the large number of cash transactions occurring in daily transactions the currency is falling. The aim was to create awareness that cashless transactions would be widespread, with the aim of making banking transactions easier.

Lecture on cashless transactions was organized in the Shri Shivaji Arts, Commerce and Science College Akot on September 10, 2017 with the aim of preventing large scale cashless transactions by the NCC Department. Principal of the college, Dr. A.L. Kulat was the president in this program. Principle Lecturer Prof. Umesh Ghodeswar was the beneficiary. At this time, he showed how you can do cashless transactions in your house by stating the purpose of cashless transactions in your daily life. This saves you the time to constantly pay with the bank and the transaction can be completed quickly and your transaction can be streamlined. Directed to this cadet of NCC Shri Shivaji Arts, Commerce and Science College Akot, as well as cadet of Shri Narsingh Vidyalaya and Shri Shivaji Vidyalaya NCC Cadet were present. The previous purpose of the program was to reach out to the community how the cashless transaction is beneficial, with about 110 NCC cadets present at the event. The program was organized and presented by Capt. Dr. Prashant Kothe, Head of NCC Department, while Atul Mhaisne, Chief Officer, thanked the audience.

• **Blood Donation Camp by NCC**

N.C.C. Department of Shri Shivaji Arts, Commerce and Science College, Akot has always been involved in social activities. The NCC conducts various activities in Collaboration with many organizations in the area of Akot. As a part of this, blood donation camps are being organized at the college every year.

A blood donation camp was organized on September 24, 2017 in association with the NCC and JCI Akot. At this time, guided lectures were organized to make students aware of the importance of blood donation. Principal Dr. A. L. Kulat was the President of this event. Shri Mali (A.P.I. Akot Police Station) was the chief guest. JCI Akot office bearers also guided to students. Shri Mali, (A.P.I. Akot Police Station) explained that along with the importance of blood donation, NCC cadets should always be involved in the service of the country and blood donation is part of the service. This is the beginning of service to the country, he said. For this blood donation camp, the Akola Government Hospital provided doctors and other staff for the blood donation camp. At this time 100 donors from the college donated blood including 23 NCC cadets. Capt. Lieutenant Dr. Prashant Kothe (NCC Department) made all preparations for this event.

**Road Safety Week conducts at the Shri Shivaji Arts, Commerce
& Science College, Akot (Date 26/12/2018)**

Purpose: To raise awareness about road safety among the students, Road Safety Week was celebrated for the purpose.

Road Shiksha Abhiyan week was organized in collaboration with Shri Shivaji Arts, Commerce and Science College Akot, Department of NCC. This week the students were guided in the context of road safety through a lecture at the college and a live demonstration in collaboration with Shetkari Motors, Akot. The main objective behind organizing the program was to create awareness among the NCC cadets about the safety of road safety in the society. Accordingly, the program was organized. Awareness was raised in this regard. At this time, Shri Mali, a police station officer of Akot police station, guided the students. College students were present along with NCC cadets.

Road Safety Abhiyan (Date 26/12/2017)

Conduct a Wakthan competition at Shri Shivaji Arts, Commerce & Science College, Akot

Past Purpose of the Program: You forget about running, running, in the busyness of work. We see the side effects. With this in mind, a walk competition was organized with the phrase Run for better health.

Akot Youth Group and the NCC department, Shri Shivaji College Arts, Commerce and Science, Akot in collaboration with the Waksthan competition was held on January 7, 2018. The rally was organized to raise awareness on social issues such as clean India, clean water, environmental protection, live trees and trees, stop female feticide, and stop farmers' grudges. The rally was attended by several women men from different fields as well as students from different schools and colleges. Political, social, sports, education, field dignitaries, doctors lawyers, government officials, senior citizens, students, youth, women, women, etc. participated and ran. Various social organizations were also involved in the program. Rashtriya Chhatra Sena, Shri Shivaji Arts, Commerce & Science College, Akot played an important role in organizing and planning this competition.

11 Maharashtra Battalion camps organized at Akot

Purpose: From the perspective of training NCC students, we were organized. From June 25 to July 04, 2016 organized 11 Maharashtra BN Camps at Shri Shivaji Arts, Commerce and Science College, Akot. The camp was organized under the command of Col. C. Elawarsan, commanding officer, 11th Maharashtra Battalion. The camp was led by Lt. Dr. Prashant Kothe. Four hundred students from different colleges and schools of Akola, Washim, Buldhana districts participated in this camp. In this camp Yoga Day as well as training, motivational lectures for students, various types of sports, firing, and various training were provided in order to get their skills. At this time, Chip Officer Atul Mhaisne, Third Officer Sachin Ingle and PI staff of the 11th Maharashtra Battalion attended the college for this camp. College Principal Dr. A. L. Kulat thanked Col. C. Elawarsan for his permission. Taking this camp also helped the college students to see the discipline among NCC students. Therefore, the feeling of patriotism as well as patriotism among the college students was also awakened. NCC department was the main organizer of the college. All the arrangements for this camp were started by Lt. Dr. Prashant Kothe, Head of the NCC Department. The excellent living arrangements for the girls at the camp were important to the parents. They have expressed satisfaction about it. Also, the college had all the facilities needed for NCC camps, so it was very convenient to take this camp. Such kindness was expressed by Col. C. Elawarsan.

Involvement of NCC department of Shri Shivaji Arts, Commerce and Science College, Akot under Water Foundation.

Purpose: By taking long-term measures on water scarcity in Maharashtra state, we participated in the program implemented to make the state drought-free, with the objective of getting rid of water scarcity in the area.

The Water Foundation is a long-term solution for water shortage in the state of Maharashtra. Aamir Khan and Kiran Rao is a non-profit working organization in 2016 to make Maharashtra state drought free. This is Satyajit Bhatkal, Executive Director of Water Foundation. Many villages in Maharashtra have participated in this competition. Yanushanga works in many districts of Maharashtra through this institute. Many villages in Akola district also participated in water cup competition. To do so, go to these villages and cooperate with the people there and work towards an end to the famine in this area. This was the desire of the NCC Department. Accordingly, the NCC department participated in this movement by providing labor in several villages. It includes various villages like Jitapur Rupagad, Umra, Asegaon Bazar, Lamakani, Akunda taluka in 2017, Punda in 2018, Jalgaon Nahate in 2019.
