

INNOVATIVE ACTIVITIES: 2014-2019

ECONOMIC VERMICOMPOSTING

Under the career oriented program scheme, Department of Zoology, Shri Shivaji Arts, Commerce & Science College, Akot run the Vermiculture and Vermicomposting program for B.Sc. Student. As part of program, the vermicompost is produced with collecting the plant litter from campus. It help to maintain the cleanliness of campus as well generate the revenue by selling it.

Plastic Free Campus

Report

2017-2018

| | |
|----------------------------|--|
| Title of program conducted | : Awareness about plastic bags pollution |
| Date of program | : 7 th Sep 2017 and 21 th Oct 2017 |
| Objectives of program | : To aware about plastic bag pollution |
| Number of beneficiaries | : students of college and People of AKOT |

Brief summary of the program: In the academic year 2017-18 clippings on plastic bag pollution shown to students of B.A., B.Sc., and B.Com., dated 7th Sep 2017 and aware them about plastic bags pollution.

We organized rally in Akot on 21th Oct 2017 in Padyatra. Our students aware the people about plastic bag pollution and insist them to use dustbins for garbages. Students visited to various places, meet the people and told them how harmful the effect of plastic to society and environment.

Workshop on Recycle Paper Bag 2018-19

Report

2018-2019

Department of Chemistry Shri Shivaji Art's, Commerce and Science College, Akot organized one day workshop on "Recycle Paper Bags" on 2nd November 2018 at 10.00 am to 4.00 pm for college Students at the college auditorium,. Lamp lighting of Wokshop was done by all the respected dignitaries. The progranamme was started with a welcome speech by Dr S.P.Wagh Head of science faculty. Guest were formally welcomed and introduced by H.O.D. The programme was inaugurated by the chief guest Mrs. Dr. S.N. Gupta Associate Professor, Brijlal Biyani Science College, Amravati and the workshop is chaired by Dr A.L.Kulat Principal of the college.

In inaugural speech she said Paper bags are gaining importance as these bags are 100% reusable, recyclable and biodegradable and at the same time environment friendly and pose less threat to wildlife. It requires less energy for paper bags to be recycled than plastic bags. The paper bags are generally box-shaped in design that allows them to stand upright and hold more goods.

In the recent past, Maharashtra state governments have banned the use of plastic. But this rule is of no use unless it is implemented by everyone, especially college students, who are the future. By incorporating the habit of using paper bags instead of plastic, will help students follow eco-friendly habits for life. To effectively implement this habit of using paper bags instead of plastic bags, among college students, so, college has organize a 'Paper bag making activity' .

Dr S N.Gupta and Miss Roshani Kale provided training to students on how to make paper bags. She gave information about the quantity of paper used and paper bag market demand and how it can be seen as a new business opportunity. The participants were delighted with this session as they were able to understand the importance of this campaign and also were able to look at a new business opportunity for themselves.

Around 171 Students were participated in workshop and eight faculty members learned how to make paper bags using news papers .With the help of newspapers and colored plain paper, she taught the students to make 3D paper bags. The bag was made out of the newspapers while the designs included beautiful flowers and whimsical butterflies made out of colored plain paper pasted on the bag using Camlin White Glue.

This activity was appreciated by the IQAC / teachers and even saw the teachers' active participation. Through this activity, we also highlighted that 'today's news paper is tomorrow's waste paper'.

For the success of workshop Dr S. V. Kolhe, Mr. A. R. Somvanshi, Mr. Ganesh Andhale, Ku. Shital Raibole, Ku. Trupti Chaure, Ku. Alka Puri and non-teaching staff members and students have taken ceaseless efforts.

Programme is concluded with vote of thanks by programme coordinator Dr.R.M.Jumle and said that the anti-plastic campaign will continue even on larger scale, so that maximum awareness is created among the public.

Report of
Awareness campaign in Society:-
“Renewable Energy sources and E- Waste Management”

In the academic year 2018-19, department of Physics organized the awareness campaign regarding the “renewable energy sources and e waste management”. Department of Physics already had arranged the different model, poster essay competition regarding the “use of renewable energy sources and e waste management” from the academic year 2013 onward. Sant Gadge Baba Amravati University Amravati has already included renewable energy sources in the syllabus of B.Sc. semester IV. So, keeping all this point in the mind, department of Physics had motivated the students to demonstrate their poster in the society where, they had lived. In this activity, the group of two or three students had made and prepared a poster on the topic of “uses of renewable energy sources, its advantages and E-waste management. Students had made the poster and presented in their colony where, they called all the neighbor in the colony with their family members. They had demonstrated the poster in the regional languages with English, this activity has been performed by the all the Bsc 2nd year and final year students. This awareness campaign had made people aware in the colony about the “uses of renewable energy sources and e waste management”. More than 1000 people has benefited this activity. Also, this demonstration created the confidence in students to demonstrate their knowledge in the society/Colony.

This activity has been carried out in the guidance of the head of the faculty of science Dr. S. P. Wagh and with the corporation of head of the department Mr U. T. Bhati and CHB teacher Mr. D. P. Chaudhari.

**Report
Of
One day workshop on "Video conferencing and tonner refilling"**

In the academic year 2018-19 with the collaboration of IQAC, computer science and department of Physics jointly organized a one day workshop on the "video conferencing and toner refilling" for teaching and non-teaching staffs and students were the participants in the workshop. workshop was inaugurated by the head of the faculty of Arts Dr. P. P. Kothé. On the occasion of Inaugural function Dr. kothé has explained the importance of video conferencing in the era of globalization and technology and also explained the importance of the reuse of the toner in the printer. Mr. Umar Bhati, head, department of Physics explained the idea of video conferencing to participants by using the IMO software, Skype. Similarly "refilling of toner" has important in daily routine work of the offices. Mr Kishore Ladhe has explained and demonstrated the refilling of the tonner. All the participants teaching, non teaching and student has been giving a hands on training to the setup of video conferencing and toner refilling. Mostly the girls students were taken the initiative to set up the video conferencing by using laptop, projector and internet connection Jio router and also had taken the hands on training of toner refilling. All the participants shows the satisfaction on the content of the workshop. The workshop has successfully organized in the guidance of the principal of the college Dr. A.L. Kulat and head of the faculty of Arts, Commerce and Science with the help of the coordination of the department of Physics and computer science with the initiation of the IQAC..

Reuse of Electronic Kits

Consultancy

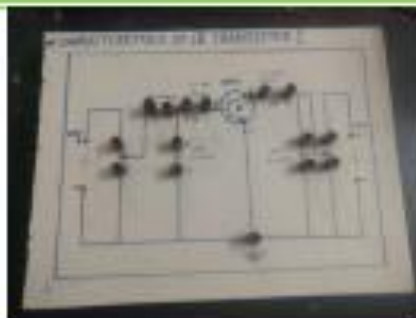

- Prof. D.S. Thakare had guided the 11th & 12th Standard student of Sant Paul Academic & junior college Akot on topic "Fabrication of Basics instrument for Physics Laboratory".
- Organizing training programmed for the student "Fabrication of basics instrument for Physics laboratory, in which 05 kits was fabricated by B.Sc.-II Student having a cost of approx. Rs. 10,000/- and handover to department.

The following kits were constructed by the students.

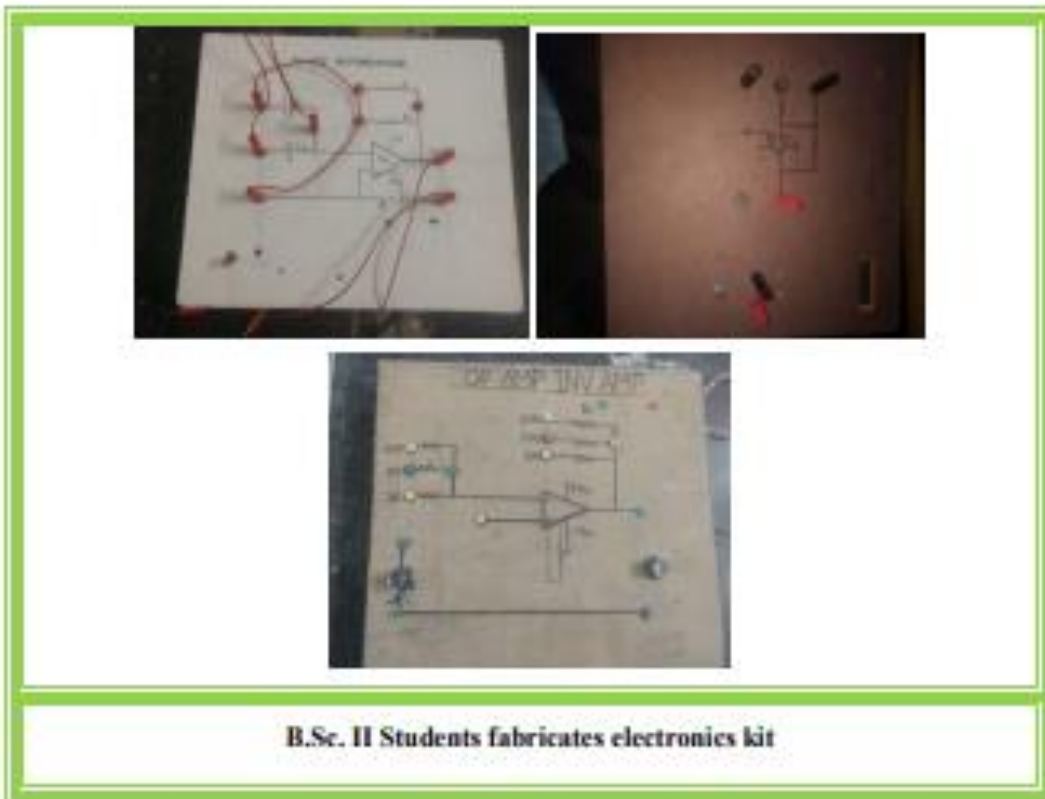

- CE mode of transistor Approximately cost Rs. 2100/-
- Zener regulated power supply Approximately cost Rs. 1800/-
- OP- Amp as non-inverting Approximately cost Rs. 2000/-
- OP-Amp as differntiator Approximately cost Rs. 2200/-
- OP-Amp as Adder Approximately cost Rs. 1900/-

Dr. D.S. Thakare delivering the guest lectures on the topic Fabrication of instrument of 12th Std.

विद्यार्थीनींना बॅग बनवीने व हस्तकला शिकवीने

Workshop on Making Paper Bags 2.01.2018

गृहअर्थशास्त्र विभागाने विद्यार्थीनीं करीता पर्यावरण पुरक अशा पेपर बॅग बनविण्याची कार्यशाळा आयोजित करण्यात आली.

उद्देश :- विद्यार्थीनी मध्ये कला कुशलता निर्माण व्हावी. व त्याचा उपयोग त्यांना स्वयंरोजगार म्हणून करता यावा तसेच पर्यावरणास पुरक अशी जागरूकता निर्माण व्हावी या उद्देशाने ही कार्यशाळा घेण्यात आली. तसेच पेपर बॅग बनविण्याच्या कलाकौशल्यची माहिती होण्याच्या दृष्टीने ही कार्यशाळा घेतली.

प्रा. स्वाती वैद्य व डॉ. प्रशांत कोठे यांनी या कार्यशाळेला पॉलिथीन बॅगचे तोटे व घातक परिणामाची माहिती सांगून मार्गदर्शन केले. विविध बॅग बनविण्याचे प्रात्यक्षिक करून दाखविले. या कार्यशाळेत ४० विद्यार्थीनींनी सहभाग घेतला. कार्यशाळेमुळे सहभागी विद्यार्थीनींना वर्तमानपत्र तसेच निमंत्रण पत्रिका या पासून ह्या बॅग तयार करण्या बाबत माहिती मिळाली. प्रात्याक्षिक विद्यार्थीनींना करून पाहता आले.

बनविलेल्या पेपर बॅग

आभारपत्र

प्रती,

मा. प्राचार्य,

श्री शिवाजी कला, वाणिज्य व विज्ञान महाविद्यालय, अकोट

आपण आपल्या महाविद्यालयातील आधीचे कमी व्हर्जन असलेले तीन संगणक आमच्या शाळेला दिले. आमच्या शाळेतील विद्यार्थ्यांना संगणक साक्षरता व शिक्षणासाठी त्याचा मोठा उपयोग झाला आहे. आम्ही आपल्या महाविद्यालयाचे मनपूर्वक आभारी आहोत. करीता आम्ही आपणास आभारपत्र प्रदान करीत आहोत.
